## What: Wet weather road closures

Due to prolonged rain and wet road conditions; the Golden Valley County Commission has issued a temporary road restriction that applies to vehicles weighing in excess of 26,000 pounds. This restriction will expire on Friday, April 29, 2016 unless additional restrictions are issued. This restriction prohibits heavy vehicles from using impacted roads. Vehicles weighing less than 26,000 pounds may continue to use the county's roadways.

Specific roadways impacted are: **ALL Roadways within the County**

If you have questions regarding this restriction, please contact:
